Following databases were searched and resulted in no matches:

Note: Name syntax and variation issues are a common issue in company / business database searches. Please search under all possible legal, dba, aka and variations of the company name before drawing upon and relying upon pure database searches.

- SEC
- Non Profit - A thorough search of more than 1.8 million Current IRS Registered Domestic Not Profit & Charitable Entities has been searched
- Tax Lien - A thorough search of more than 20 years of Federal Business Tax Lien data as reported by the Internal Revenue Service
- Cellphones
- Professional Licenses - A search of 13 million professional state License holder data by officer name and company name - includes top 20 states
- Vehicle - Searches 145 million auto owners in 48 states by owner name and address - Updated quarterly
- Property & Mortgage- searching - 60 million Mortgage transactions indicating Assets & Liabilities
- Bankruptcy - Updated Monthly contains Business & Consumer BK filings & Discharges from 2002 to Present

Legal Note

If a multi-state criminal , arrest or warrants record database search returns information that would affect your placement decision (this includes volunteer placement as well as hiring), you need to obtain a county records search to verify the accuracy of the database information before making any decision in order to ensure compliance with the Fair Credit Reporting Act.
